

The Bookworm Bus Presents

Word Traveler – a summer reading journey

(1st through 5th Grades)

The bus rolls out for this fun packed reading adventure June 16, 2021 through July 30, 2021. We will travel the roads looking for sight words, story elements, using our writing prompt journals to write about our adventures. The reading adventure would not be complete without a reading scavenger hunt and creative follow-up activity to finish the story.

The Word Traveler is a 3-day summer reading camp from Wednesday through Friday 3:30 – 5:30. Each session is 1 hour 15 minutes and promptly begins at 3:45 each day.

Day 1 – Storytime, we will take a closer look at sight words, and story elements, sight word flash cards and word find game. Each participant will receive a writing prompt journal.

Day 2 – Review story, complete elements chart; read “Camping Trip” and complete activity, work in writing prompt journals; receive reading scavenger hunt.

Day 3 – Storytime, complete writing prompt journals; creating illustrations from reading scavenger hunt found items.
